

# WHAT HAPPENED TO OURLADYSRESISTANCE.ORG?

[WWW.OURLADYSRESISTANCE.ORG](http://WWW.OURLADYSRESISTANCE.ORG)

*This writing has hotlinks that are only useable if you download the PDF copy. The links will not work if you just read this off the archive website.*

Has the world reached the point of complete and total spiritual famine? This was the question we posed to ourselves when we discovered that some perverted person took our old website name and turned it into a link to Hell. It was turned into a link to the most impure filth known to mankind. It was turned into something we strongly urge you to never dare to type into your search bar! Ourladysresistance.org was turned into a portal to eternal perdition! Our warning that stemmed from what appeared to happen to [Dr. Moulden's](#) website came true in the most horrific way possible. We warned visitors to our site if they ever see any big shift on the site that it wouldn't be us doing it. Sure enough, it came to be.

Therefore, we have a three fold purpose. First to warn people not to ever visit that website again. Second, to explain why we unplugged the site. Lastly, as a type of counter attack, to give good Catholic people a heads up on anything new we would have posted on the site over the last few years.

The first goal has already been met. We have warned you to never again dare to visit "Ourladysresistance.org." If you have found this writing it might be because you already typed Ouradysresistance.org into a search engine. Hopefully this writing becomes the first choice. It certainly is the safest choice.

Now, on to the second goal. Why did we unplug the site? In order to answer this we must start from the beginning. Shortly after we brought the website to life we had a former SSPX (Society of Saint Pius X) priest help us with articles and other SSPX "Resistance" type material. As we continued to search for what happened to the Catholic Church, our search for truth made visible the lie of the "traditionalist" movement and of the impostor church that sits in Rome today. When the SSPXer found out which way we were leaning he suddenly dropped us. A move we are so grateful to God for! Now it was time to clean the website up of all the SSPX propaganda. The task proved to be a gigantic one. The website had grown pretty big so to search the entire thing in order to scrub it clean of SSPX material took a very long time. Some of it, for whatever reason, was not deletable so we had to hide the page. On top of this came our continued search for truth. We were digging for truth, searching a great host of pre 20th century books for true Catholicity and sharing our journey along the way. In the process, we found some of what we posted had to be deleted because it was simply not the truth. So, combine our endeavor to erase SSPX Resistance material from our website and keep vigilant that what we posted was indeed Catholic (based off of true Catholic books) and you have a time consuming task. We worked really hard to keep the website without error. As time went on it seemed more and more evident if the Catholic Church were strong in our modern days it would indeed require an Imprimatur or Nihil Obstat or something like it on every Catholic website. The responsibility of teaching Catholic truth

became a greater and greater obligation with every post - and this with no Catholic Hierarchy to lead the way.

## OUR LADY'S RESISTANCE

Truth has only one thing to fear and that is of not getting a hearing. It fears not discussion, nor inspection, nor length of time, nor the calumnies of men. It is also said "let a lie get an hour's start and truth will never overtake it." Let us this evening give truth a hearing and let it overtake some points of falsehood."

--Archbishop Lynch of Toronto, 1870

And so on New Years Eve of 2019 our extended family ripped their masks off and discovered to us their Judas type role. Bringing a flood of evil upon us from all directions which included every vice thinkable in an effort to destroy Catholicity in our home. It was a heavy burden we were dealt. This combined with our already heavy burden with the website was too much to carry all at once. We decided to pull the plug on the website. This decision turned out to be a God send. The hours upon hours dedicated to the website was taking time away from family and the teaching of Catholic truth *in our own home*. God brought a lot of good from that evil. He is so good!

Considering now how somebody worked with Hell and hated our Catholic website so much as to link it to a filthy website worthy only of pigs in the mire brings us to understand that our

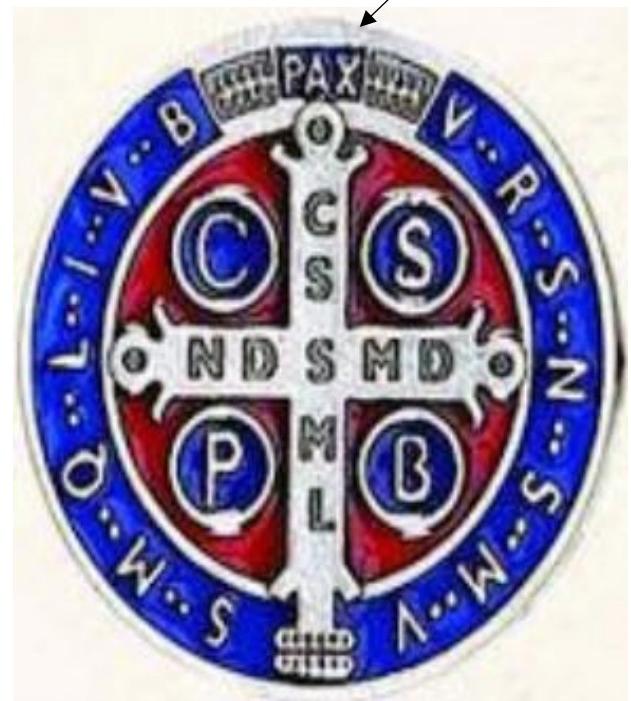

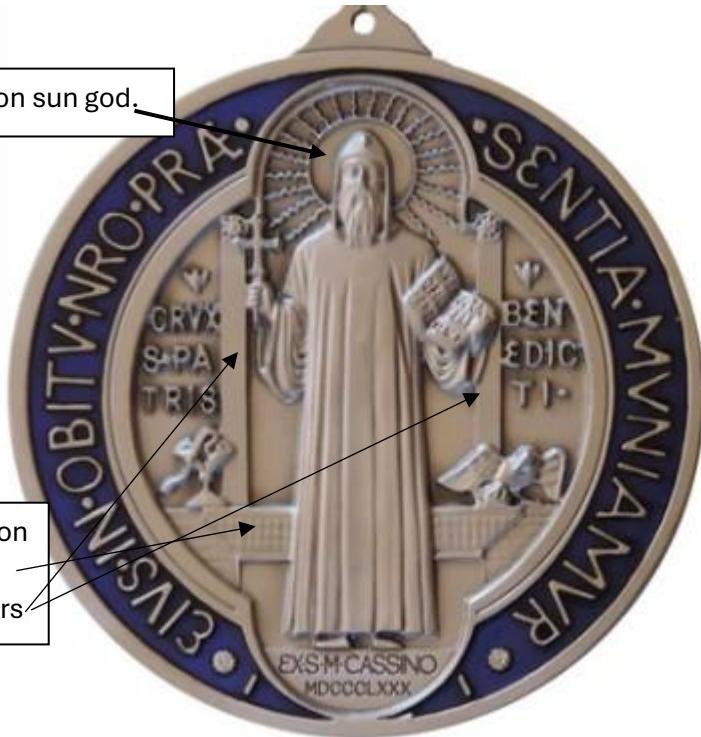

website was better than we thought while we were running it. We were always so careful to post the truth. We took steps gingerly, always trying to avoid offending God. Our slogan from Archbishop Lynch said it all!

We would be remiss to not stand up and strike back! And so we come to our third goal. To share with others what we have learned over the last 4 plus years. It is not a lot but some of it carries heavy responsibilities once you know it.

## **THE SAINT BENEDICT MEDAL**

Dom Gueranger wrote a book on the Saint Benedict medal but the only printed copy we can find was published 5 years after his death (he died in 1875) and has the new modern image on page 16. Somebody thought they were smart! They even claim to have the approval of Pope Pius IX who died in 1878. The “Jubilee” medal came out in 1880. Even with the approval of Pope Pius IX it becomes obvious he never saw the finished product or he never would have approved of the removal of the Holy Name of Jesus and the insertion of a Freemason altar in the background. These things render the modern medals useless. Nay, at best they are useless. At worst they curse the place they occupy. Compare the two medals and read on:

## MODERN BENEDICT MEDALS

## TRUE SAINT BENEDICT MEDALS

There are some major problems with the modern, “Jubilee”, medals. We will start with the backside. The backside of the modern medals have removed the Holy Name of Jesus Christ at which:”... *in the name of Jesus every knee should bow, of those that are in heaven, on earth, and under the earth*” *[Philippians 2:10]* Instead of IHS (Jesus) they replaced Him with PAX (peace). This is shown on the previous page. To remove the Holy Name of Jesus is a crime of highest proportions. It is to deny Jesus! In fact, it is a sign of the times. Saint Paul says “*For when they shall say, peace and security; then shall sudden destruction come upon them, as the pains upon her that is with child, and they shall not escape*”

(1 Thessalonians 5:3) - Is this not what happened after the new medal was distributed in 1880 all the way to the complete destruction at Vatican II? Dom Gueranger tells us the true medal is powerful even without a blessing because of the Holy name of Jesus but without His name, what power does it have?

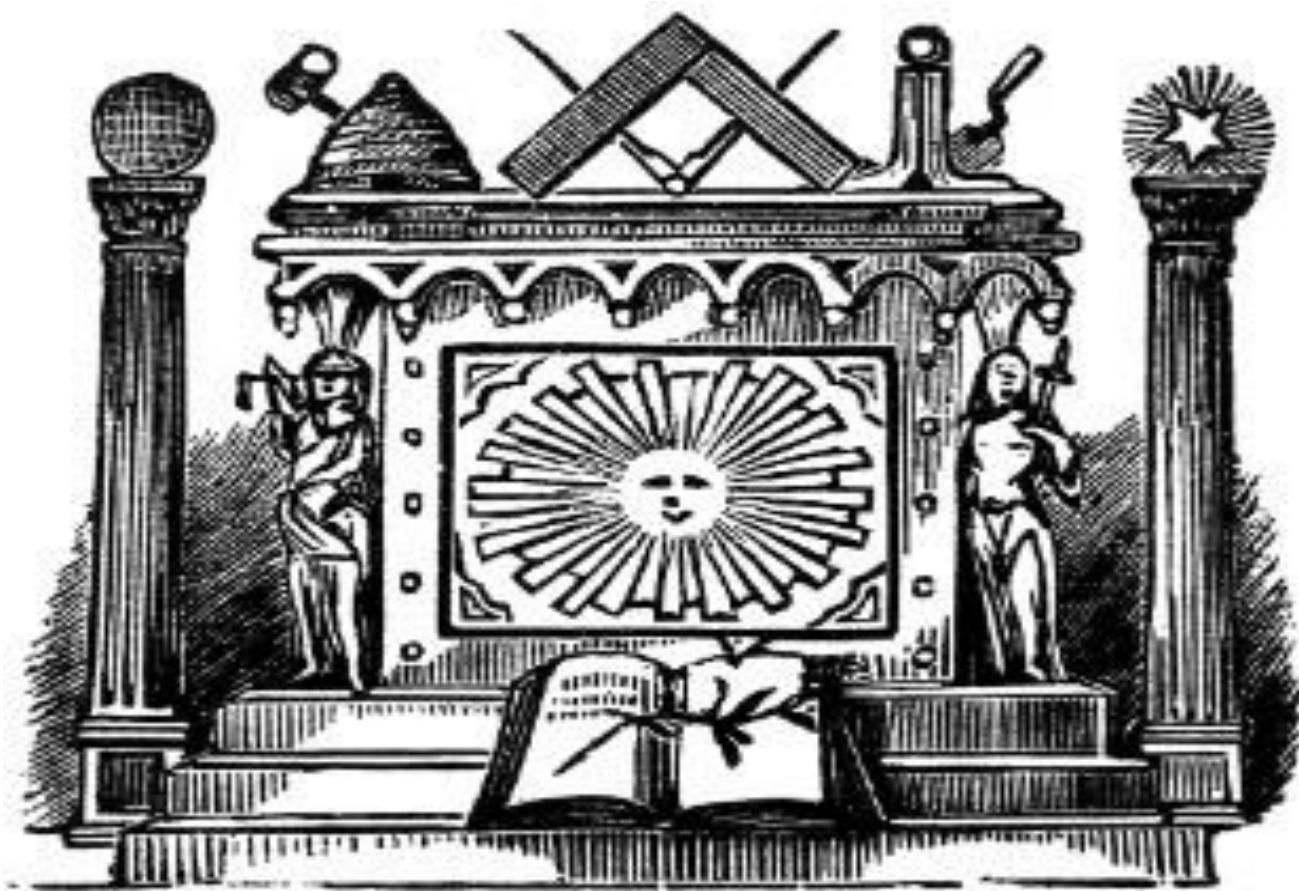

The front side of the modern Benedict medals are full of frightening satanism. One must examine the background of the medal to find the truth of who designed these things. The background is actually a Freemason satanic altar. Saint Benedict is supposed to be standing in front of it.

- Saint Benedict was placed in front of the Masonic altar (characteristic two columns)!
- the main inscription has been changed to: **Eius in obitu nostro praesentia muniamur** (May His presence defend us at the time of death), removing the name of Saint Benedict in the shadow, further background of the medallion (maybe he is not supposed to defend us?);
- on the left side there is a cracked cup from which the serpent crawls out, placed there under the pretext of the event when Saint Benedict was almost poisoned. **The snake is a symbol of Satan** (perhaps his presence is to “protect” us at the moment of death?!); The snake on a Catholic sacramental should have only one place: under Mary’s foot with his head crushed!

- on the right side the bird has spread wings and “walks past the bread”; it is no longer a “humble” raven, but a **masonic symbol of the phoenix**, which struts proudly alongside the Body of the Lord. Compare the Freemason altar and the front of the modern “Jubilee” Benedict medals below:

The all-seeing sun god and the twin pillars with the altar are all characteristic Freemason symbols. Compare the two images above. Do you see the craftily concealed images on the Benedict medal? Here is another image of the altar with different Freemason symbols:

Throw away any modern medals you may have in your possession. Replace them with medals like [these SAINT BENEDICT MEDALS](#). Be careful. The seller may sell other varieties!

## **HUNOLTS SERMONS**

Shortly after we unplugged Ourladysresistance.org we discovered the [sermons of Father Franz Hunolt](#) (He lived from 1691 to 1746) on Archive.org. There are literally hundreds of sermons to choose from and they are all well worth your time in your endeavors to further your spiritual life. They are especially good for Sundays and Holy days. We pray that Father Hunolt is in Heaven now. He has certainly done great good for us. Click the link above! If they ever disappear you may be able to order them from a book website like [abebooks.com](#)

## **WAS PAUL VI THE ANTICHRIST?**

We have done a lot of research into Paul VI, whom we pretty much ignored in times past. This article, found on archive.org, asks the very question: [Was Paul VI the Antichrist?](#) It certainly seems he was. Remember, the antichrist will oppose the Catholic Church, not the world or other religions! Paul VI certainly did oppose the Catholic Church as you will see when you [click here](#) to read it.

After reading it one might ask: What about Enoch and Elias? Our Lord implied the spirit of Elias was with Saint John the Baptist. The spirit of Elias is the Holy Ghost. It appears the Jews were looking for the return of Elias the prophet (the man) so much so they excited themselves when Jesus cried out: “**Eli, Eli, lamma sabacthani?**” They began looking around for Elias the prophet! Isn’t that what some Catholics are doing NOW when the Catholic Church herself has been crucified by the apostates in Rome? Looking around for Elias the prophet? Looking around for a hero to come save them? Some are looking for a “Great Monarch” to come save them too. Jesus Christ is our ONLY hope, He is the Great Monarch! 10 years ago we thought differently and even wrote about the coming of the “Great Monarch.” Our enemies know Catholics love their apparitions and prophecies! We have been spoon fed a fiction for quite some time now! We have been led down the wrong path for far too long! Time to wake up! From time to time the spirit of Elias comes to people searching for the truth. Make good use of it. Don’t rely on Elias the prophet or a monarch to come save us!

## **FREEMASONS AND JEWS**

It is widespread knowledge the Freemasons have the goal to lead all souls to perdition through their false ideas and doctrines

that lead souls away from the one true God. We have only fairly recently realized the Freemason leadership is controlled by the ever “victimized” Jews. One of the greatest follies, perhaps in all of history, is the phrase “Judeo-Christian.” Water and oil don’t mix! There can be no such comparison! Also, the ongoing saga of the “Holocaust” and it’s ever evolving history is fast becoming old. In their rejection of the true Holocaust, the sacrifice of Jesus Christ upon the Cross, they have made up a holocaust of their own and are working against “free speech” to silence those who reject their narrative.

## **DONALD TRUMP**

As time goes on this topic will hopefully become irrelevant. However, if the website was still out there we certainly would be warning people against placing their hope in any politician, especially an actor politician. Donald Trump is what is called “Controlled Opposition.” Don’t fall for it. In fact, turn off the news about him. Forget the man! He also has Jewish links and his White House was one of the most Jewish in history. He’s not the true Christian’s friend. Why so many people are so unreasonably excited about him is insane! You are being entertained with him in the news all the time. Don’t fall for the Trump chaos! It may all be leading up to chaos in November of

2024. Voting hasn't counted for decades now! It is all set-up, at least nationally. Don't waste your precious time on this earth!

Remember, Trump supports sodomy and the murder of babies in "certain cases" of abortion! You are not a Christian, a follower of Christ if you support such things!

**1.** *Put not your trust in princes: In the children of men, in whom there is no salvation. His spirit shall go forth, and he shall return into his earth: in that day all their thoughts shall perish. (Psalms 145, 2-4)*

**2.** *It is good to confide in the Lord, rather than to have confidence in man. It is good to trust in the Lord, rather than to trust in princes. (Psalms 118, 8-9)*

**3.** *Thus saith the Lord: Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the Lord. (Jeremiah 17, 12)*

**4.** *Blessed is the man whose trust is in the name of the Lord; and who hath not had regard to vanities, and lying follies. (Psalms 39, 5)*

*And Abraham got up early in the morning and in the place where he had stood before with the Lord; He looked towards Sodom and Gomorrah, and the whole land of that country: and he saw the ashes rise up from the earth as the smoke of a furnace. (Genesis 19, 27-28)*

*"For if any man think himself to be some thing, whereas he is nothing, he deceiveth himself." (Galatians 6, 3)*

## WF STROJIE

WF Strojje was a Catholic man trying to make sense of the chaos of “Vatican II.” He started writing about it in 1974 until his death in 1987. There is probably nobody around today who will agree with him 100 percent but his insight is extremely valuable. We can do nothing more than encourage you to read a

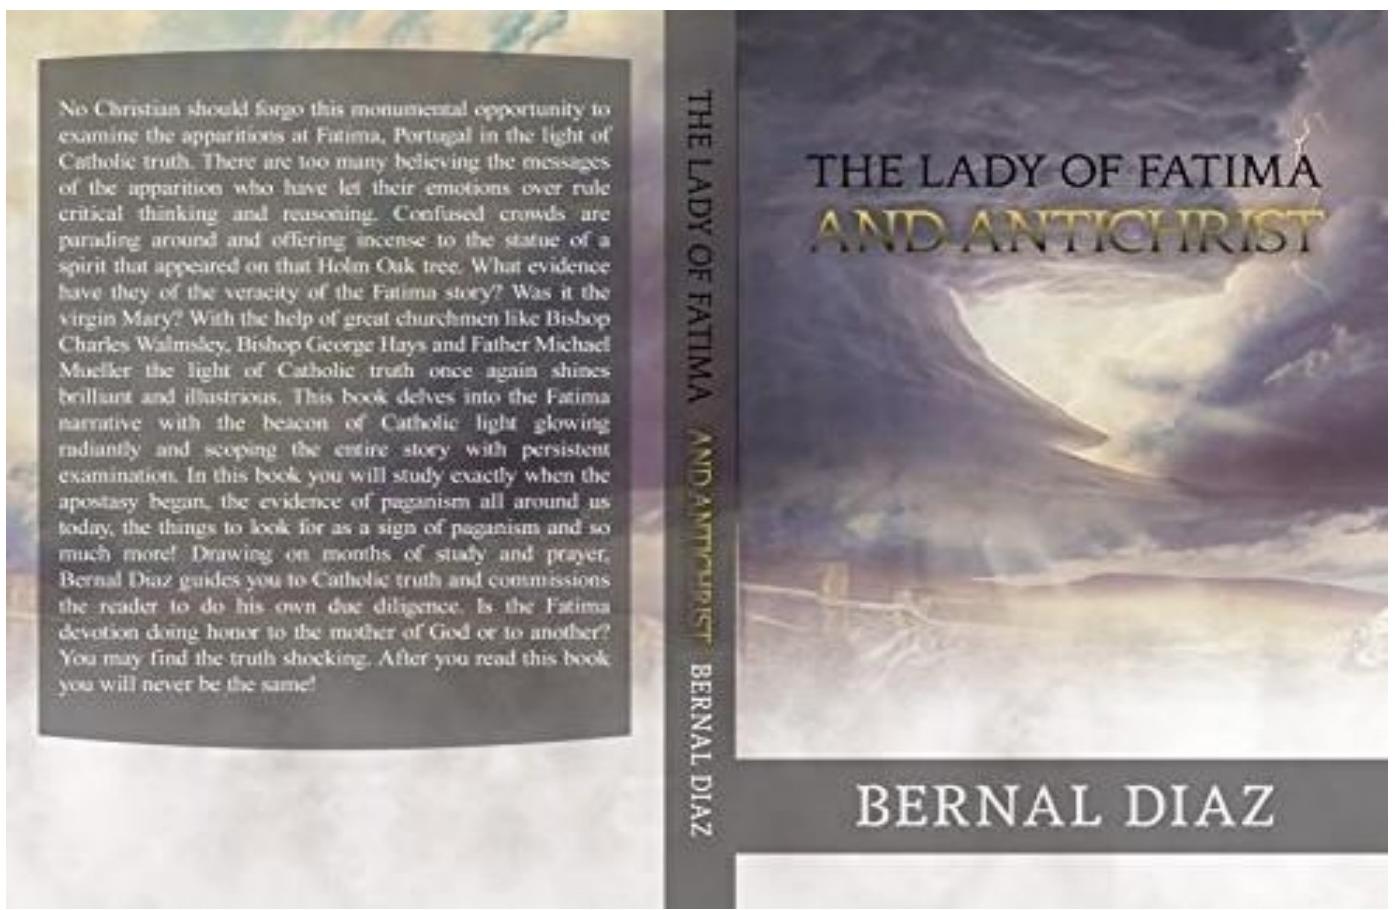

few of his letters to find out for yourself. He was at a disadvantage compared to us because he hadn't seen all the evil that followed from the new church after his death. He had certainly seen enough! Amongst his other accomplishments he puts to shame the Society of Saint Pius X and its founder

It's a must read coming from an innocent mind searching for truth. Here are some of his writings:

## THE LADY OF FATIMA AND ANTICHRIST BOOK

The book we worked on and had available for some time was taken off the market because of our commitment to avoid any false doctrines, speculation or subjects beyond the purpose of the book. As for false doctrines we cannot prove we did or did not spread any, but certain titles of the Blessed Virgin Mary were questioned based off the apostate church's teachings. We are not theologians and so we should have preferred to stay out of their incoherent and ambiguous dogmas. As for speculation, we did a lot of speculation about the Antichrist which proves to all be wrong once we embrace the possibility of Paul VI being

the Antichrist, which makes more sense but still doesn't seem like it should be book material. As for subjects beyond the purpose of the book, we did a lot of that in the Appendix which was a last-minute decision to insert into the book and proved to be a decision we regret because it stretches beyond the goal which was to show how the Fatima apparitions were not from God and were a preparation for Antichrist.

As it stands now, we need to find the time to edit the book and republish it without scruple. A task that is currently a daunting one since we will have to clean up the book with so many time constraints.

## **CONCLUSION**

And so it is time to say good-bye again! We sincerely hope you gained something from this short essay of things we would have posted on our website over the last few years.

What it all comes down to is the sinful and chaotic world we live in today is self-destructing and we have to be prudent and stay out of its way as it crumbles. Sodomy is running rampant and governments are wanting more and more control over the people of the world. Fornication and abortion are still as unhindered as the days we ran the website. More and more

people wander the earth full of tattoos and piercings which historically are marks of slavery to Satan. As Father Franz Hunolt says in one of his sermons, true freedom requires becoming a slave to Jesus Christ. A rejection of Jesus is a false liberty which is the worst brand of slavery one could endure. This is why there are no countries on the face of the earth that are truly free. They have all rejected Christ. The United States is certainly not free. Every day there is a new law that hits the books. One law on top of another on top of another burdens the people. One has to stop and wonder why didn't they have all these laws in days gone by? Were people just more intelligent and could take care of themselves better or has Satan taken control of the world and is imprisoning people with senseless laws in a corrupt and decaying society? The answer, unfortunately, lies in the sins of the people. The sins of the people are turning their land(s) into a police state. The police are not the only occupation in which one must bury their conscience and reject Christ! Rejecting Christ and burying the conscience seems a common trend in the world. When will it come to a stop? When will the sins of ungrateful men cease to offend the one true God? How much further into the mire is it possible to go? When will God put an end to the current chaos for the sake of the Elect? We have to pray and do penance!

In the days when we ran the website we concentrated heavily on the Infallibility of the Pope and brought to light how the rejection of the temporal power of the Pope brought upon the people the current chastisement we labor under. How blind people are to not realize the rejection of the Pope has put them into bondage to Satan in the most horrific way – under the false banner of “Liberty.” We strongly urge you to continue to visit our website on the WAYBACK MACHINE. Choose December 20, 2019 and go back and revisit the information we posted on the Papacy and other subjects. Try this [LINK HERE](#) or go directly to the [WAYBACK MACHINE](#) and type in Ourladysresistance.org

Perhaps one day we will make another post to Archive.org. This particular post was a necessary reaction to the filth that attacked our former website. What more proof are we in need of that “...our wrestling is not against flesh and blood; but against **principalities and powers**, against the rulers of the world of this darkness, against the spirits of wickedness in the high places.” [Ephesians 6:12]

To attack our website with an impurity that is more than animalistic is to war against she whom our website was named after. The Queen of Heaven and Earth! She who has crushed the

head of the serpent. The nasty serpent who has already lost against our great and mighty King, Jesus Christ!

God bless you all!

**O God, the strength of such as hope in Thee: mercifully hear us calling on Thee: and since mortal weakness can do nothing without Thee, grant us the assistance of Thy grace; that, in observing Thy commandments, we may please Thee, both in will and action. Through our Lord Jesus Christ, Who liveth and reigneth with Thee, in the unity of the Holy Ghost, God forever. Amen.**
